FOLD & PRESSURE SEAL SELF MAILER SOLUTION

THE FOLD AND SEAL SYSTEM THAT CONVERTS PRESSURE SEAL PRODUCTS INTO SELF-MAILERS

PRESSURE SEAL CONCEPTS

This Pressure Seal solution offers an extremely efficient labour saving system that enables the use of pre-personalised forms, in cut sheet formats. Pressure Seal forms guarantee tamper-proofing and complete confidentiality of the data form, and is therefore ideal for maintaining the integrity of the data.

The personalised forms can be folded and sealed in one single operation. This process effectively converts the form into a Mailpiece ready for despatching without the need for an envelope.

VERSATILE AND EFFICIENT

The AS-550 is flexible and offers a range of fold options to suite various application needs. The folds that can be achieved are 'Z', 'V', 'C' and 'Double V' formats*. In addition eccentric folds can be set and form length up to 406mm (16") can be accommodated.

SECURITY IS BUILT-IN

Security comes first in the Pressure Seal process. The design of the Pressure Seal form ensures that the Mail Piece leaves the AS-550 fully secure and ready to mail.

This method of security is ideally suited to a range of applications such as: Payslips, P60's, Invoices and Statements, PIN Mailers, Test Results and appointment notifications.

AS-550 PRODUCT CODE

Product code 9109793S (230VAC, 50Hz).

*For equal 'Double V' folds the minimum form length is 356mm (14").

FEATURES & BENEFITS

OPERATIONAL EFFICIENCY

Master Power ON/OFF	Yes
Run, Controlled Process Stop	Yes
Emergency Stop	Yes
Jog Control	Yes
Fold Only Option	Yes
Form Thickness Adjustment	Yes
Doubles / Miss Detection with Diversion Capability	Yes
Forms Out Detection	Yes
Forms Count	Accumulative & Resettable
Fold Types	Z, V, C, Double V
Adjustable Fold Plates	Yes

SYSTEM SPECIFICATIONS

Height x Width	470 x 445mm
Length (Catch tray extended)	756mm
Weight	63.5Kg
Document Processing (A4 Cut Sheet)	5,500 p/Hr
Infeed Capacity (90gsm [24 lb Bond])	350
Outfeed Capacity with Catch Tray (90gsm [24 lb Bond])	225
Jam Clearance Engineering Functions	Jog & Lever Keypad
Power	230VAC, 50Hz

WHY CHOOSE NEOPOST?

Neopost is a world leader in mailing and logistics solutions. Our innovative solutions bring simplicity and efficiency to your mailing process to make your business run better. Neopost brilliantbasics benefits provide excellence in all our offers, from products to support and services. They bring you the best in operational efficiency, mail quality and security, budget optimization and online management. Whether for advice or support, you enjoy our commitment to supply first-class service - on the phone, on site or online. Benefit from immediate response times and remote diagnosis at our call centres, and fast despatch of service engineers when needed.
